

**How to Access the PSC Working Docket
for the Chapter 319 Revision Project**

Go To: **www.psc.mo.gov**

Click On: **Natural Gas** tab near top/middle of page

Click On: **Working Docket** link under Underground Facility
Damage Prevention Project

Click On: **Item No.** to view a particular document

(For example, Item No. 32 is the document submitted to the working docket on 06/15/10 that includes summaries of the stakeholder comments submitted after the 03/09/10 roundtable and the related PSC staff comments.)
